

**MITCHEL PAUL McCLARAN**

520-390-9801 (cell), 520-621-1673 (office), mcclaran@u.arizona.edu

**EMPLOYMENT**

- 2019-present Director, Arizona Experiment Station
- 2015-2019 Associate Director, Arizona Experiment Station, University of Arizona
- 2013-2015 Assistant Director, Arizona Experiment Station, University of Arizona
- 2004-present Director for Research. Santa Rita Experimental Range. University of Arizona
- 2001-present Professor of Range Management. School of Natural Resources and the Environment. University of Arizona
- 1992-2001 Associate Professor of Range Management. School of Natural Resources. University of Arizona
- 1995 Visiting Associate Professor, Department of Environmental Science, Policy and Management, University of California, Berkeley
- 1986-1992 Assistant Professor of Range Management. School of Natural Resources. University of Arizona

**Major Fields:** Rangeland Ecology, Rangeland Policy

**EDUCATION**

- 1978 B.S. Conservation of Natural Resources, University of California, Berkeley
- 1981 M.S. Range Management, University of California, Berkeley
- 1986 Ph.D. Wildland Resources Science, University of California, Berkeley

**Dissertation** Age Structure of *Quercus douglasii* in Relation to Livestock Grazing and Fire History.

**& Director:** Dr. James W. Bartolome

**PROFESSIONAL STANDING and DEVELOPMENT**

- 1996-present Certified Rangeland Manager, State of California, #21
- 1999-2024 Certified Professional in Rangeland Management, Society for Range Management #CP99-32
- 2009-10 LEAD21 Leadership Development Program participant
- 2016 FAST TRACK Leadership Development
- 2017 Little Bighorn Battlefield Leadership Development

**COURSES TAUGHT AT UNIVERSITY OF ARIZONA, 1986-2019**

- Rangeland Plant Communities, 3 units, (RAM 382), 30 times
- Arizona Plant Life, 3 units, (RAM 222), 8 times
- Rangeland Policy, 3 units, (RAM 595a), 7 times
- Selected Topics in Range Management, 1 unit, (RAM 696a), 13 times
- Sustaining Local Food, Biodiversity, and Livestock Grazing in the Alps (RNR 397A), 1 time

## **GRADUATE STUDENTS AND POSTDOCS, UNIVERSITY OF ARIZONA, 1986-present**

Graduate Students: 20 completed, M. Anable (MS), D. Angell (MS), S. Biedenbender (PhD), G. Bolton (PhD), S. Buckley (PhD), J. Coronado (PhD), A. Dalke (MS), P. Ford (PhD), K. Hawkes (MS), S. Kariuki (MS), F. Mashiri (PhD), N. Mgxashe (MS), A. Moote (MS), A. Nafus (MS), M. Neuman (MS), D. Rawoot (MS), D. Valdez (MS), K. Van Deren (MS), J. Ward (MS), K. Widmer (MS), J. Womack (MS);

Post docs: Guillermo Ponce Campos (Current), Jeff Gillan (Completed), Elizabeth Pierson (Completed), Tyson Swetnam (Completed), and Haiyan Wei (Completed).

## **HONOR AND AWARDS**

- 2024 Paper of the Year, Rangeland Ecology and Management. Wilmer, H, D.B. Ferguson, M. Dinan, E. Thacker, P.B. Adler, K.B. Walsh, K.B., J.B. Bradford, M. Brunson, J.D. Derner, E. Elias, A. Felton, C.A. Gray, C. Greene, M.P. McClaran, R.K. Shriver, M. Stephenson, and K.N. Suding. 2024. Resilience is not enough: toward a more meaningful rangeland adaptation science. Rangeland Ecology and Management 95: 56-67. <https://doi.org/10.1016/j.rama.2024.04.003>
- 2019 Outstanding Course (Rangeland Plant Communities, RAM 382), School of Natural Resources and the Environment, University of Arizona
- 2015 Outstanding Course, School of Natural Resources and the Environment, University of Arizona. Drought on Rangelands (RAM 696a-002, Fall 2015)
- 2014 Fellow, Society for Range Management
- 2013 Outstanding Scholarly Achievement, School of Natural Resources and the Environment, University of Arizona
- 2010 Fellow, Bart Cardon Academy for Teaching Excellence, College of Agriculture and Life Sciences, University of Arizona
- 2009 Bart Cardon Sustained Excellence in Teaching, College of Agriculture and Life Sciences, University of Arizona
- 2005 Shirley O'Brien Diversity Award, College of Agriculture and Life Sciences, University of Arizona
- 2004 Outstanding Scholarly Achievement (The Santa Rita Experimental Range), School of Natural Resources, University of Arizona
- 2004 Outstanding MS Thesis Advisor (Ms. Judy Ward), School of Natural Resources, University of Arizona
- 1999 Outstanding Undergraduate Teacher, Range Science Education Council
- 1999 Outstanding Course (Rangeland Plant Communities, RAM 382), School of Natural Resources, University of Arizona
- 1997 Outstanding Academic Book, (The Desert Grassland), Choice magazine
- 1996 Phi Kappa Phi, Faculty Status, University of Arizona
- 1996 Outstanding Scholarly Achievement (The Desert Grassland), School of Natural Resources, University of Arizona
- 1993 Outstanding Course (Rangeland Plant Communities), School of Natural Resources, University of Arizona
- 1979 University of California Regents' Fellowship
- 1978 Phi Beta Kappa and Graduation with Honors, University of California, Berkeley

## **INTRAMURAL SERVICE: University of Arizona**

### University-level

Associate: Center for Climate Adaptation Science and Solutions, 2014-present  
Member: Implementation Committee for the Future of Food and Agriculture in Drying Climate (ICoFA), November 2023-2024  
Member: Science Advisory Board, Biosphere 2. 2021-present  
Member: Interdisciplinary Faculty in Global Change Studies, 1995-present.  
Member: Executive Committee, Arid Lands Resource Studies, 2007-2014.  
Member: Executive Committee, Institute for the Study of Planet Earth, 1996-2006  
Member: Executive Committee, Udall Center for the Study of Public Policy, 1997-2006  
Member: Graduate College, Graduate Council, 2002-03  
Member: University Academic Personnel Policy Committee, 1997-2000  
Member: Search Committee, Director of Institute for the Study of Planet Earth, 1997

### College-ALVSCE Division level

Director: Arizona Experiment Station 2020-present  
Chair: Arizona Experiment Station Leadership Committee, 2015-2019  
Chair: Santa Rita Experimental Range Research Advisory Committee, 1996-2005.  
Chair: Promotion and Tenure Committee, 2007-08  
Vice-Chair: Promotion and Tenure Committee, 2006-07  
Member: Executive Council, 2021-present  
Member: Curriculum Committee, 2002-03, 2009-2013  
Member: Promotion and Tenure Committee, 2004-05  
Member: Search Committee, Associate Dean for Research and Director of the Agricultural Experiment Station, August-December 2011

### School-level

Chair: Ecology, Management, and Restoration of Rangelands Program (B.S., M.S. and Ph.D.), 2004-05, 2012-19  
Chair: Natural Resource Studies Graduate Programs (M.S. and Ph.D.), 1996-2016  
Chair: Organizing Committee, Showcase of Promising Scientists in Natural Resources Lecture Series, School of Natural Resources, 2004-05  
Chair: Organizing Committee, Collaboration in Natural Resources Management Speaker Series and Graduate Seminar, 2009-2010  
Chair: Awards Ceremony 2012  
Chair: Faculty Status Committee, School of Natural Resources, 1995-6, 2003-4, 2008-9  
Chair: Faculty Search Committee, School of Natural Resources, 2003-04  
Co-Chair: Organizing Committee, SNRE Seminar Series for Spring 2018, 20017-18  
Co-Chair: Faculty Search Committee, School of Natural Resources, 1998  
Member: Strategic Planning Committee, School of Natural Resources, 2008-2019  
Member: Faculty Status Committee. School of Natural Resources, 1993-95, 2001-03, 2006-08  
Member: Faculty Search Committees, School of Natural Resources, 1994, 2007, 2023, 2024, 2025  
Member: Natural Resource Studies Graduate Program (M.S. and Ph.D.), 1987-1996  
Representative: University of Arizona ADVANCE program to eliminate subtle bias, 2007-10

## EXTRAMURAL SERVICE

- Expert: Defined and weighed the importance of knowledge areas, work activities, work context, and tasks common to the occupation of Range Managers for the U.S. Department of Labor, Occupational Information Network June 2024
- Associate Editor: *Journal of Range Management*, 2001-2005
- Chair: Society for Range Management, Accreditation Visitation Panel at Utah State University, 2017
- Chair: External Review, Proposed On-line MS degree in Natural Resources Management, Oregon State University June 2010
- Chair: Society for Range Management, Accreditation Panel, 2009
- Co-Chair: Organizing Committee for 1<sup>st</sup>-20<sup>th</sup> Annual Research Insights in Semiarid Ecosystems (RISE) Symposium, Tucson, AZ, 2004-present
- Co-Chair: Organizing Committee for Symposium, Santa Rita Experimental Range: One-Hundred Years (1903-2003) of Accomplishments and Contributions. Tucson, AZ, 2002-03
- Member: Review Panel for Humboldt State University revision to Rangeland Resources Curriculum. December 2016.
- Member: Review Panel, USDA-NIFA Foundational Programs in Thresholds and Management of Agroecosystems, 2011
- Member: Review Panel, USDA-ARS National Program 215 in Range, Pasture and Turf Management, 2011
- Member: US OSTP-National Climate Assessment, Vulnerability Workshop, 2011
- Member: USDA-ARS Stakeholder Workshop for National Program 211 in Water and Water Availability Research Program, 2010 and 2015
- Member: Desert Southwest Domain Science and Education Coordinating Committee (DSECC), National Environmental Observatory Network (NEON), 2009-2014
- Member: Malpai Borderlands Group Science Advisory Panel, 2003-05
- Member: Society for Range Management, Accreditation Revision Task Group, 2004-05
- Member: Society for Range Management, Accreditation Panel, 2007-2008
- Member: Society for Range Management, Rangeland Ecology and Management journal Steering Committee, 2008-2009
- Member: Review Committee for University of Idaho, Department of Rangeland Ecology and Management Graduate Program, 2004
- Member: Range Science Education Council, University of Arizona Representative, 1987-1995, 2004
- Member: Society for Range Management, Certified Professional in Range Management Committee 1998-2003
- Member: Pima County, Sonoran Desert Conservation Plan Steering Committee, 1999-2003
- Member: Pima County, Comprehensive Land Use Panel, Upper Santa Cruz Subregion, 2001
- Member: Society for Range Management, Accreditation Visitation Panel at University of Idaho, 2001; Utah State University, 2008
- Member: Scientific Review Team, USDA ARS, Jornada Experimental Range, NM, 1996
- Member: Arizona - Sonora Desert Museum Board of Trustees, 1991-1994
- Peer Reviews: Approximately 5 manuscripts, research proposals, and project reports reviewed per year for a variety of scientific journals, research funding agencies, and land management agencies

Member: Arizona Native Plant Society, California Botanical Society, California Native Plant Society, Society for Range Management

**GRANTS AND CONTRACTS (sum = \$16.8 M)**

**Federal--- Sole Principal Investigator**

- 2015-20 LTAR-NEON Collaboration to Quantify Rangeland Vegetation Production. Specific Cooperative Agreement with USDA ARS Southwest Watershed Research Center. Project 2022-13610-011-22S. \$484,757 total.
- 2012-16 Developing tools for meadow management at Yosemite National Park. USDI-National Park Service. \$44,000.
- 2008-10 Buffelgrass control on the Santa Rita Experimental Range. USDA Natural Resources Conservation Service: Wildlife Habitat Improvement Program. \$30,376.
- 2008-09 Buffelgrass control on the Santa Rita Experimental Range. US Fish and Wildlife Service: Partners for Fish and Wildlife. \$41,588.
- 2005-08 Continuation of long-term vegetation measurements and repeat photography on the Santa Rita Experimental Range. US Forest Service \$73,218.
- 2001-02 Potential landscape distribution of buffelgrass in Saguaro National Park. US National Park Service. \$8,000.
- 2001-02 Invasive non-native perennial grass inventory. US National Park Service. \$10,000.
- 2000-05 Long-term response of vegetation to management on the Santa Rita Experimental Range. US Forest Service. \$83,500.
- 1999-01 Relationship between *Agave palmeri* flower stalk herbivory and livestock management. US Geological Survey. \$42,000.
- 1995-00 Development of a digital archive for the Santa Rita Experiment Range. US Forest Service. \$60,000.
- 1991-99 Global climate change research in the San Pedro River Basin, AZ. Bureau of Land Management and National Biological Survey. \$530,000.
- 1990-91 Develop a system to monitor utilization and community composition changes at Lake Mead National Recreation Area. \$15,831.
- 1989-91 Complete a State-of-Knowledge of recreational pack stock management in western U.S. backcountry and wilderness. \$21,702.
- 1987-89 Develop a system to monitor species composition changes in the backcountry of Sequoia and Kings Canyon National Parks, \$34,554.

**Federal--- Co-Investigator**

- 2021-25 LTAR-NEON Collaboration to Quantify Rangeland Vegetation Production Phase 2. Specific Cooperative Agreement with USDA ARS Southwest Watershed Research Center. Project 58-2022-0-009 Total to date: \$647,642. Co-PIs. M. Crimmins and S. Gao.
- 2021-26 Conservation Effects Assessment Project-Grazing Lands. US Department of Agriculture Natural Resources Conservation Service. NRCS/UA agreement #NR213A750023C013. \$6,134,655 through FY24. (Co-PI McClaran 95%, Guertin Co-PI 5%, Despain 5%)
- 2019-24 Conservation Effects Assessment Project-Grazing Lands. US Department of Agriculture Natural Resources Conservation Service. NRCS/UA agreement #NR193A750007C002. \$3,235,000 through FY24. (Co-PI McClaran 95%, Guertin Co-PI 5%, Perry 5%)
- 2019-22 Co Investigator: Solving Grand Challenges in Coupled Natural Human Systems: An Integrated Socio-ecological agent-based model to predict effective governance

- strategies for invasive species mitigation. National Science Foundation Coupled Natural Humans System program. PI E. Baldwin University of Arizona. Estimated \$ 1,580,012.
- 2018-23 Co-Principal Investigator: Ranching, Rangelands, and Resilience: Ensuring adaptive capacity in an increasingly variable climate. USDA-AFRI Climate Variability Program: PI K. Suding, U Colorado. \$232,365 to UA, total project \$1,194,000.
- 2016-17 Co-Project Director with Mike Crimmins (Director), Reducing livestock production and legal risks from increased climate variability by co-developing tools for ranch-scale drought detection. Western Extension Risk Management Education, USDA NIFA. \$50,000.
- 2014-17 Principal Investigator with 6 others, Using a co-development process to improve, integrate and encourage use of drought information and adaptive management of livestock grazing on National Forests. National Oceanic and Atmospheric Administration, Climate Program Office Sectoral Applications Program \$285,644.
- 2010-13 Principal Investigator with 8 others, Climate-Rangeland Connections: Building a Knowledge Center of Best Practices for Climate Change Mitigation and Adaptation on Southwestern Rangelands. Planning Proposal. USDA Climate Change Program \$50,000.
- 2009-13 Principal Investigator with D. Guertin and G. Ruyle, Evaluating the Effects of Grazing Land Conservation Practices on Southwestern Watersheds, USDA-CSREES Conservation Effects Assessment Project (CEAP). \$598,000.
- 2005-09 Co-Project Director with S. Archer and H. Throop. Ecosystem carbon and nitrogen pools in managed rangelands: a spatial accounting of management influences. USDA-NRI Managed Ecosystems Program, \$503,000.
- 2005-06 Co-Investigator with C. Huang and S. Marsh. Tree-grass co-existence in semiarid savannas, NSF Doctoral Dissertation Improvement Grant, \$12,000.
- 2001-05 Co-Principal Investigator with C. Hutchinson, S. Marsh et al. Establishing a basis for carbon management policy at the state level: carbon dynamics at site, landscape, and regional scales for Arizona State lands. NASA Carbon Cycle Science and Related Opportunities in Biology and Biochemistry of Ecosystems, \$756,338.
- 1998-00 Co-Principal Investigator with R. Amundson, Carbon and oxygen isotope composition of feral horse diets and tooth enamel. National Science Foundation. \$38,000.
- 1994-98 Co-investigator with J. Van Wagtendonk and D. Cole. Influence of grazing intensity on Sierran Mountain Meadows. U.S. Forest Service and Yosemite Fund. \$45,000.

**State--- Co-Investigator**

- 2005-10 Co-Investigator with K.Suding and W. Harpole. Landscape-scale relationships between oak recruitment and livestock management. University of California Integrated Hardwood Range Management Program, \$128,417.
- 1986-88 Co-investigator with J.W. Bartolome. Effects of fire on foothill oak regeneration, California Department of Forestry, \$36,850.
- 1985-86 Co-investigator with J.W. Bartolome. Geographic variation in the relationship between oak cover and herbaceous composition and production, California Department of Forestry, \$10,000.

**University--- Principal Investigator**

1987-88 Role of disturbance in maintaining the rare orchid *Spiranthes graminea*, University of Arizona Small Grant Program, \$2,442.

**University--- Co-Investigator**

1995-97 Co-investigator with C. Hutchinson and R. MacArthur. Design and implement a digital database for historic data from the Santa Rita Experimental Range. Vice President for Research, \$30,000.

**Private--- Principal Investigator**

1981 Stand age structure of blue and interior live oak in the Blue Oak Woodland, Sequoia Natural History Association, \$1,250.
