1) Approval of previous meeting's minutes – approved. Notes are archived at <https://snre.arizona.edu/about/strategic-planning>

2) Director's Report and Discussion

- Next SPC meeting will be December 5th
- Dean visits SNRE today from 2-3 pm
- SNRE Assessment – meeting November 20th from 2-3 pm in N450. Goal is to create as many questions that can be implemented in an online format as possible
- Sabbatical applications – L. Lopez-Hoffman, S. Marsh, B. Steidl, W. van Leeuwen
- B. Smith and M. Bogan are going up for retention reviews. No one going up for P&T
- Spousal hire – Negotiations
- Natural Resources Law hire – Law school is interviewing for environmental law people; potentially create a .25 FTE position in SNRE or a joint appointment. J. Koprowski will send out the candidate's CV and link to job talk

3) Special Topics

- Leadership positions in SNRE – M. McClaran to be director of the Ag Experimental Station in January 2020. Will create a teaching void (.3 to .4 replacement), will still remain faculty member in SNRE with research commitment. Associate director position in SNRE is also available
- Development opportunities – scholarships for Study Abroad courses; training opportunities for grad students and faculty; rotating chair for junior faculty members; post-tenure faculty three-year rotating chair; graduate student travel funds
