Binding

How many copies to bring in

You must print as many copies of your thesis/dissertation as you want bound. If you do not require hard bound copies for yourself or your committee, submit one original copy to me for binding for our library, and make additional copies as needed. Fast Copy can do soft binding.

Pricing

Each hard-bound copy costs either \$18 (if paid with for an account number) or \$20 (if paid for with personal check), provided we have at least 5 manuscripts to be bound. If you need yours sooner, let me know. Make checks out to The University of Arizona.
